

JUSTICEVILLE, U.S.A. LEARNING STATIONS

Learning Objectives: Students will identify different community professionals through a description of how they benefit the community.

TEKS: LA 1.19, 2.19, SS K.7 (A), K.9 (A), 1.8 (A), 1.12 (A), 2.11 (B), 3.2, 3.9 (C)

Materials Needed: Justiceville cards, score card for recording answers

Vocabulary: community, sanitation, mayor, utilities, attorney

Teaching Strategy:

1. Assign each student a partner. Each pair of students will visit the Justiceville cards around the room and decide on the answer together.
2. Pairs of students will read the definition of a community helper on the Justiceville card and match it with the name of that position or profession on their score card.
3. After all students have visited each station and completed their score card, ask students to tell what they know about each helper/profession mentioned and if they know someone personally in that profession.
4. Students will write a paragraph about one of the professions, entitled "I Would Like to Be a (profession) Because. . ." Students should mention at least three reasons why they would like to be involved in the chosen profession, as well as one draw-back of that profession.

Extension for G/T

Students will choose one of the professions listed and interview a person from that profession. Interview questions might include:

1. Why did you choose to be a ____?
2. What kind of training did you have to have to become a ____?
3. What are the best things about being a ____?
4. What is the hardest thing about being a ____?

Community Helpers Learning Stations Score Card

Match the number of the Justiceville card with the person it describes.
